

# ST. PETERSBURG LIBRARY SYSTEM

## Small Business Enterprise Center

The City of St. Petersburg is committed to assisting Small Business Enterprises (SBEs). The Center's purpose is to foster growth in the economy and provide opportunities for small business. These computers have software to help small business owners grow their businesses by creating flyers and other promotional materials, designing websites and products, improving tech skills, and completing business/industry research.

These computers are equipped with Adobe Creative Cloud, which includes:

- Photoshop
- Illustrator
- InDesign
- After Effects
- And More!

**St. Petersburg Main Library**

**3745 9th Avenue North**
